1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lawrence Perry on March 1, 2004.

The application has been amended as follows:

Please amend the claims as follows:

2. (Currently amended) An isolated DNA encoding a protein comprising the amino acid sequence of [represented by] SEQ ID NO: 2.

3. (Currently amended) An isolated DNA comprising the nucleotide sequence of [represented by] SEQ ID NO: 3.

6. (Currently amended) An isolated host cell [A transformant] comprising [a host cell harbouring] the recombinant vector according to claim 5.

7. (Currently amended) A process for producing a protein, which comprises culturing the [transformant] host cell according to claim 6 in a medium to produce and accumulate protein comprising the amino acid sequence of [represented by] SEQ ID NO: 2, and harvesting the protein.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance: The claims are drawn to an isolated DNA encoding the polypeptide of SEQ ID NO: 2, and to an isolated DNA comprising the nucleotide sequence of SEQ ID NO: 3. The claims are further drawn to a recombinant vector comprising DNA encoding the polypeptide of SEQ ID NO: 2 or DNA comprising the nucleotide sequence of SEQ ID NO: 3. The claims are also drawn to an isolated host cell comprising said recombinant vector and to a method of producing protein by culturing said host cell. The claims are allowable over the prior art because the prior art does not teach or fairly suggest an isolated DNA encoding the polypeptide of SEQ ID NO: 2 or an isolated DNA comprising the nucleotide sequence of SEQ ID NO: 3

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
